

PROCLAMATION

The National Safety Council is conducting a nationwide drive for the purpose of reducing the accident toll during the balance of this year. This toll in South Dakota continues to stand at a high figure.

As another holiday season approaches, there will be increased traffic upon our highways. People will be going to and from their homes for Christmas. Sleet, snow and ice may make driving conditions hazardous.

NOW, THEREFORE, I, Earlen J. Bushfield, Governor of the State of South Dakota, request every man, woman and child to join wholeheartedly in this National Safety Drive during the approaching holiday season and throughout the winter. May I urge you to apply essential precautions to the hazards that exist while driving or walking, in order that our accident toll may be reduced to a minimum in South Dakota.

DONE AT THE CAPITOL, in the City of Pierre, this  
13th day of December, 1940.
